# BIOGRAPHY

Kobie is a Singer-Songwriter, and an American Hip Hop and R&B recording artist from Brooklyn, New York. Kobie music is influenced by various Hip Hop and R&B artists such as Chris Brown, Trey Songs, and John Legend. Kobie studies music theory with private tutors for four years. Kobie plays the piano, drums, and guitar. Kobie art is influenced by his spiritual connection with himself and others. Kobie has been performing with live bands, and solo performance at and various other venues in NYC since 2013.

Kobie has been the opening act at R&B artist Omarion, Swizz Beatz, and PnB Rock concerts. Kobie music is most impactful because it comes from personal experience and spiritual insight.

What Kobie intend for his music is to influence positive vibes and spiritual understanding that all life comes from one source. Through his art Kobie want people to feel apart of and one with the Creator
